* Fines are renewable each month during which any Owner is in violation of the CC&Rs

Before assessing a fine the board shall:

(a) notify the lot owner of the violation; and

(b) inform the owner that a fine will be imposed if the violation is not remedied within the time to cure listed above.

(c) A lot owner who is assessed a fine may request an informal hearing to protest or dispute the fine within 30 days.

Owners who repeat any violation within a 12 month period of receiving a Notice of Violation are not entitled to an additional notice or hearing, regardless of whether or not the Owner participated in a hearing as a result of the first violation. For such repeat violations, the Board may automatically begin fines as outlined above.
